New 'Free-From' Chocolate treats for Christmas

No Nuts...just Chocolate, the distributor to the UK and Ireland of Dammenberg chocolates from Finland, are looking forward to their second Christmas season. Launched in January 2008, their entire product range (in excess of 100 products) is guaranteed to be Nut-free, Gluten-free, Egg-free, Vegetarian, Kosher and GMO-free. Also available within the range are Milk-free, Lactose-free, Soya-free, No Added Sugar (suitable for diabetics), Fair Trade and Organic chocolates.

Managing Director, Dr Sam Thompson says "Our chocolates have had a fantastic response in the UK and I am proud to be offering a truly delicious 'free-from' product to families with allergies and dietary restrictions like Coeliac disease and Diabetes. The range is growing all the time and we are excited to be offering a wider range of sugar-free products this Christmas and launching a chocolate bar that is milk-free, soya-free and organic!"

Our new Christmas collection includes No Added Sugar Orange Milk Chocolate Advent Calendars, Gift Boxes of Assorted Premium Filled Chocolates and Christmas novelties for children and all these products will be Nut-free, Gluten-free, Egg-free and Kosher. Premium filled chocolates contain Rum, Whisky, Grand Marnier and Mulled Wine centres. There is no minimum order and sale units start from as little as 6 items for our premium chocolates, priced at £7.92 each with an RRP of £15.30. Pre-order to avoid disappointment.
